MARCH 18 IS TRANSIT WORKER APPRECIATION DAY!

Transit Worker Appreciation Day is a day dedicated to honouring and appreciating transit workers. Saskatoon Transit is committed to delivering the best service possible. No matter where they work – whether it’s on the shop floor, in the driver’s seat, transit planning, administration, or taking care of customers, they all work together to deliver the best public transit service possible.

We’re proud to celebrate the men and women of Saskatoon Transit and invite you to join us in thanking them.

Share your appreciation with #ThanksTransit on your favourite social media channel and thank them in person next time you are on the bus!

GREEN CARTS ARE ROLLING YOUR WAY!

The City of Saskatoon is moving to a city-wide green cart program in the spring of 2023 and ending the green cart subscription program. Every household with rollout black and blue carts will be part of the program.

What to expect

- Beginning next week, green carts and kitchen pails will be delivered. Subscribers to the previous green cart program will get a kitchen pail delivered but will continue to use their existing carts.
- Year-round biweekly collection begins in May. Fees will not be applied on utility bills until May.
- Black cart collection will continue as biweekly, even in the summer months. More than half of what we throw away can go into the green cart! That’s why black carts won’t need to be collected as often.

Using the green carts will help divert up to 20,000 tonnes, the same as 3,300 garbage truck loads, from the City landfill each year, delaying the need for a new landfill and increasing Saskatoon’s waste diversion by up to 12%.

For more information about green carts, and to download the ‘Saskatoon Waste Wizard’ app to check collection dates and sign up for collection reminders, please visit saskatoon.ca/greencart.

IS YOUR DOG READY FOR THE DOG PARK?

Dog Parks can be a great place to get exercise and socialize. Although, not all dogs and owners are quite ready for the off-leash experience.

Before going to a Dog Park ensure your dog is well behaved around pets and people. Your dog should know and obey basic commands of come, sit and stay before visiting a Dog Park. Consider taking obedience classes or hiring a qualified dog trainer.

Once you’re ready we look forward to seeing you at the Dog Park!
