

Bridging to Tomorrow Update (December 16, 2014)

RFP Issued to Shortlisted Teams

The Request for Proposals (RFP) to Design, Build, Finance, Operate and Maintain the Traffic Bridge and the North Commuter Parkway has been approved by the City, and issued to the three teams that were shortlisted to build the projects: Bridge City Infrastructure Group, Bridge City Partners, and Graham Commuter Partners.

Teams will have until summer 2015 to respond to the RFP. It is expected the Project

Agreement will be in place with the Preferred Proponent by November 2015.
