## ZONING NOTICE: DOWNTOWN NEIGHBOURHOOD

### PROPOSED ZONING BYLAW AMENDMENT – BYLAW NO. 9915 THE ZONING AMENDMENT BYLAW, 2023 (NO. 15)

Saskatoon City Council will consider an amendment to the City's Zoning Bylaw (No. 8770) proposed by Meridian Development Corporation, North Prairie Developments Limited, and Remail Ventures Incorporated. By way of Bylaw No. 9915, The Zoning Amendment Bylaw, 2023 (No. 15), the M4 – Core Area Institutional Service District regulations are proposed to be amended by permitting restaurants and lounges within buildings used as multiple-unit dwellings. Such uses must be located on a site fronting Spadina Crescent East north of 19th Street East and south of 25th Street East, must be on the ground floor level, may not include drive-through access, and may have an outdoor seating area up to 93m2 in area.

### PROPOSED ZONING AMENDMENT

Subject Parcels

File No. RZ09-2020

**REASON FOR THE AMENDMENT** – The proposed amendment will enable restaurants and lounges to locate within buildings used as multiple-unit dwellings on sites fronting Spadina Crescent East. Restaurants and lounges can currently locate in the M4 zone within hotels, motels, office buildings, medical clinics, art galleries, or museums, and restaurants can locate in commercial dwelling conversions. Only confectionaries, drug stores, and pharmacies are currently permitted within multiple-unit dwellings in this zone.

This amendment would expand opportunity for restaurants and lounges and mixed-use development. It supports objectives of the Official Community Plan and City Centre Plan, which include policies to develop a pedestrian-oriented environment on key Downtown streets by locating public uses and amenities on the ground floor of buildings.

Additional information about the proposed amendment may be viewed on the City of Saskatoon website at [saskatoon.ca/engage/restaurants-lounges-m4-zoning-district](http://saskatoon.ca/engage/restaurants-lounges-m4-zoning-district).
