Statement of Campaign Contributions and Expenses – Cover Sheet**Charlie Clark, Candidate for Mayor, 26 October 2016**

Under the Campaign Disclosure and Spending Limits Bylaw (8491), "All contributions received at fundraising events and all costs associated with fundraising events must be included in the Statement of Election Expenses/Contributions required under this Bylaw; however, **the costs associated with a fundraising event shall not be considered a campaign expense for the purpose of calculating a candidate's maximum allowable campaign expenses.**" (paragraph 8(1))

Schedules A and C only provide for the total campaign expenses. **The total eligible expenses for the purpose of calculating the expense limit, as audited, are \$198,384.** Please see the addendum to Schedule A for details.

Further, the calculation of the campaign surplus on Schedule A incorrectly indicates a deficit, since revenue other than contributions is excluded. We have provided an adjustment to accurately disclose a campaign surplus, as audited, of **\$1,905.**
