

DUNN, Bersha

Bersha Dunn, a Christian Scientist, was born in 1862 and died in 1921.

Her marker is a beautiful bronze plaque showing an angel with arms spread and uplifted, attached to a raw, unfinished granite boulder. The inscription reads:

MARCH 17 1862 NOVEMBER 19 1921
BERSHA DUNN
MOTHER WIFE AND MUCH LOVED FRIEND
WITH WHAT SHE UNDERSTOOD OF THE
MIND OF CHRIST SHE HEALED THE SICK
AND BROUGHT COMFORT TO THE DESOLATE.
