TU18-605

The exit ramps for eastbound traffic on Highway 16 to go northbound or southbound on Boychuk Drive, will open on Tuesday, November 6 ([see gif diagram here](#)).

The Boychuk Drive and Highway 16 interchange is one of two under the Saskatoon Interchange Project. It opened on September 30 and the interchange at McOrmond Drive and College Drive opened on October 17. Construction on both interchanges started in April 2017 and both are expected to be totally complete by the end of July 2019.

Drivers are reminded that the speed limit through the work zones at both interchange sites is 60 km/h. For more information about the project, including renderings and video updates, visit saskatoon.ca/interchanges.
