Product Approval and Inclusion Process for Saskatoon Light & Power Catalogue

At the City of Saskatoon – Saskatoon Light & Power, we are always on the lookout for innovative and high-quality products to enhance our catalogue and better serve our customers. If you have a product that you believe aligns with an item in our catalogue, then we encourage you to follow the steps below for product approval:

1. **Product Submission:**
    a. Please prepare a comprehensive product proposal that includes detailed information about your product such as features, specifications, and any relevant certifications.
    b. Attach high-quality images or product renders that showcase the product from different angles.

2. **Compliance and Certification:**
    a. Ensure that your product complies with industry standards and regulations.
    b. If applicable, include any certifications or test reports that demonstrate the product's safety and quality.

3. **Contact Information:**
    a. Include your complete contact information including the name, email address, and phone number of a dedicated representative we can reach out to for further discussion.

4. **Samples for Evaluation:**
    a. If possible, offer product samples for our team to evaluate the quality, functionality, and overall appeal of your product.

Please submit the above information to saskatoon.light.power@saskatoon.ca with the subject line 'Inventory Catalogue Submission for Review', and our team will carefully review your proposal. We appreciate your interest in partnering with Saskatoon Light & Power and look forward to the possibility of adding your products to our catalogue.
