Hearings 2a)

Re: Notice of Public Hearing
Applicant: Delia Mavrigani
Civic Address: 1006 Whitewood Cres Saskatoon, SK S7J-4L1
Discretionary Use Application : PL 4350 D13/11
Intended Use: Residential Care Home -Type II (containing 7 residents)

To Whom It May Concern,

We recently received a notice (see photocopy attached) from the City of Saskatoon regarding the above information. The notice was addressed to my father : Gus Constantine Korolis, whom bought this house for us. We live here, therefore are responding to this matter. (Christopher Friedt & Angela Korolis-Friedt). Our address is 1002 Whitewood Cres, and live next door to this Care Home. In fact, our possession dates were both in November 2011.

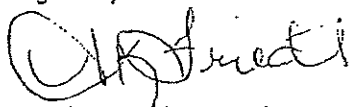

We did not attend the first informal community meeting due to work commitments which was sometime in early 2012 (I believe), however did attend the one November 27th, 2012. This letter serves as an additional extension of our complete support for this care home, and it's proposal of increasing the resident number. There is absolutely no different activity from this house than any other house around us. Their number of residents do not impact our lifestyle, parking, noise level, etc. During the summer last year, we had the privilege of meeting some of the residents in the back yard, as our patios allow for open views of each other's activities. The interactions are pleasant and friendly, and a great comfort to us during the working hours when my Husband and I are not home, as these individuals keep friendly watch on our home.

Observing everyone that lives there from time to time, I would call them a tight-knit group of people. We think it is absolutely wonderful that Delia has opened up her home to care for our elderly, especially with the increased focus on elderly care in Non-Private Care Homes lately in the media, full of neglect, sorrow, and disrespect of this generation. I think more Residential Care Homes Type II are needed.

If you have any questions, concerns, or comments regarding our letter of support, please do not hesitate to contact us at:

Angela Korolis Friedt
