Sport Field Information Guide

Introduction

The City of Saskatoon (City) offers over 300 sport fields in approximately 220 parks to accommodate recreation for sport user groups, including minor and adult sport leagues, City-wide programs and national and international competitions. This information guide outlines how to book a sport field and provides answers to frequently asked questions.

What is a Sport Field?

For the purpose of this guide, a sport field includes the following:

- multipurpose fields;
- baseball fields;
- softball/slo-pitch fields;
- tennis/pickleball courts; and
- cricket grounds.

Many of these sport fields have fees associated with usage. These charge sport fields have above basic amenities and services (e.g. shale, lights, etc.).

The following are sport field-related definitions outlined in Bylaw No. 7767, Recreation Facilities and Parks Usage Bylaw, which states in part that:

- (b) “Casual Use” means the occasional or irregular use of a recreation facility or park;
- (e) “Extended Event Use” means an activity or festival of a sporting, cultural, artistic or recreational nature which requires the use of all or a portion of a Recreation Facility or park for a maximum of five consecutive days including set up and take down; and
- (g) “Park” means Municipal Reserve or other lands maintained for recreational purposes, owned by the City and designated as one or more of the following:”
 - (i) District Park;
 - (ii) Linear Park;
 - (iii) Multi-District Park;
 - (iv) Neighbourhood Core Park;
 - (v) Neighbourhood Park;
 - (vi) Neighbourhood Pocket Park;
 - (vii) Riverbank Park; and
 - (viii) Special Use Park.

Booking Process

Application

Pre-season application packages are sent out in early December.

The deadline for applications is January 31, 2025. Applications received past the deadline will be considered in the order received, pending sport field availability. If the deadline date falls on a weekend, applications must be received by the previous business day.

When booking tournaments, use the Sport User Tournament Application Form. For all other bookings (e.g. league), use the Sport Field Application Form. Application forms can be found at www.saskatoon.ca/sportfields.

The order in which applications are booked starts with tournaments, followed by minor leagues, adult leagues, and then all other requests.

All requests for sport fields, after the initial application process, must be booked through the City's Allocations Office on a first-come, first-served basis at 306-975-3366.

Cancellation Policy

Cancellation less than seven (7) days prior to the usage date will result in forfeiture of the fee for the sport field(s).

Fees

The City's charge sport fields are based on a classification system. Fee schedules can be found on the Classification of Charge Fields document located at: www.saskatoon.ca/sportfields.

For all charge sport fields, the user shall become liable for rental fees seven (7) days prior to usage or when the contract is signed if usage is less than seven (7) days from the date of the booking.

All charge sport fields must be booked by the City's Allocations Office and paid for prior to use. Failure to follow procedures could result in forfeiture of the entire contract and/or have an impact on the future order of bookings.

A confirmation (deposit) fee is required for tournaments at the time of signing the contract and will be applied toward the rental fee. The total amount owing for the confirmation fee is indicated on the tournament's tentative schedule (listed under damage deposit) and is based on \$10 per diamond or field per day.

Allocation Priority

Outlined in the Recreation Facilities and Parks Usage Bylaw, the allocation priorities for the City are as follows:

- 1) City contractual obligations;
- 2) international events;
- 3) national events;
- 4) provincial events;
- 5) annual events;
- 6) seasonal users; and
- 7) all other users.

Minor groups will be booked prior to adult groups.

Submission Timelines

Submission timelines are noted in the chart below. Requests that do not adhere to these timelines may not be approved.

REQUIREMENT	NUMBER OF DAYS PRIOR TO THE EVENT	INFORMATION GUIDE PAGE REFERENCE
TournamentSport Field Application Form	January 31 deadline	2
Noise Bylaw Extension Requests	60	10
Certificate of Insurance	30	4
Copy of Special Occasions Permit to Saskatoon Police Service Special Duty Sergeant	14	7
Signed contract and facility fee due	7	2
Motor Vehicle in Parks Permit Request	7	9
Utility line marking	3	11

User Group/Tournament Organizer Responsibilities

Field Lining

The City begins field marking for the perimeters and goal creases of soccer and football fields, as well as foul lines for ball diamonds in mid-April, subject to weather.

It is the user groups responsibility to continue lining the fields throughout the season as they see fit. However, do not mark fields that conflict with the existing Parks Division's markings unless prior approval has been granted from the Recreation and Community Development Division.

The use of herbicides or pesticides on sport fields is strictly prohibited, unless approved by the Parks Division.

The use of Roundup® mixed with line paint is strictly prohibited.

Users must email Keith.Oftebro@Saskatoon.ca and Jessie.Stolar@Saskatoon.ca or call 306-975-2897 if field lines for football, soccer, etc., are required or to inquire about field lining regarding tournaments. Spring requests should be submitted by April 15 and fall requests should be submitted by August 15. It is **important** to provide detailed information such as, the specific date the lines are required by and any specific field requirements to ensure optimal results for all users. Additional charges may apply.

Inclement Weather Guidelines

Use of sport fields when the turf is wet creates ruts, worn areas, and compacts the soil which reduces turf grass growth (e.g. goal mouth areas). This use results in long-term damage to the turf, which reduces the quality of the playing surface. These problems create unsafe playing conditions, impact field availability and cannot be corrected through the regular maintenance program.

During heavy rain or after a prolonged rain (e.g. 6 to 8 hours or more), discontinue play to reduce damage to the playing surface.

When deciding to use a field during or after inclement weather:

- **do not use the field** if there is standing water (e.g. puddles) on the field; and
- **do not use the field** if water squishes under one's feet when walking on the turf.

It is the user's/tournament organizer's responsibility to assess field usage conditions prior to playing. All repair costs resulting from sport groups using wet fields **will** be charged directly to the offending team(s) or organization(s).

During league play, if games are rained out resulting in wet playing conditions, make-up games must be booked through the City's Allocations Office at 306-975-3366. League games do not receive a refund due to inclement weather cancellations.

The City Allocations Office requires written notification for any cancelled bookings due to inclement weather conditions within 48 hours after the tournament. Failure to do so will result in forfeiture of the fee for the sport field(s).

Insurance

The requirements for insurance are as follows:

1. The minimum requirement for liability insurance is \$5 million. The City reserves the right to request additional liability insurance.
2. Liability insurance must name the City of Saskatoon as an additional insured.
3. If the event is serving or selling alcohol, the minimum requirement for general liability insurance is \$5 million, with host liquor endorsement. The City reserves the right to request additional general liability insurance (see the Alcohol Sales and Service section for more information).

Permits

Tournament organizers are responsible for complying with all laws and regulations. The Recreation and Community Development Department will work with the organizers to determine which permits are required for the tournament.

Please note that many departments and regulators require 30 to 90 days to review applications before they can provide approvals.

Tournament organizers are responsible for charges and fees related to obtaining the necessary permits. The following permits may be required for the tournament:

- Food and Beverage Permit;
- Motor Vehicle in Parks Permit;
- Noise Bylaw Extension Permit; and
- Special Occasions Permit (Alcohol).

Tournament organizers can locate copies of permit applications at:

<https://www.saskatoon.ca/parks-recreation-attractions/parks/park-bookings-permits/outdoor-special-events-festivals/special-event-forms-permits>.

Site Cleanliness

Removal of all litter, including paper and all event trash bags, is required. Tournament organizers are responsible for the management of all garbage associated with the tournament and must have their tournament site cleaned up following the completion of the tournament within:

1. 12 hours or;
2. by 8 A.M. following take-down, whichever comes first.

If additional time is required to clean-up, the request must be communicated to the Open Space Consultant. **If further clean-up of the tournament site is required by park staff, the tournament organizer may be charged for this service.**

Any cleanup due to spillage or dumping (e.g. portable washrooms or cooking oil) will require environmental cleanup at the tournament organizer's expense.

The City has sport field waste containers (1135 litres) available at various sport field complexes. These garbage containers are not permitted in the park; they must be left accessible for pick up after the event and cannot be moved or turned from the spot they are dropped off.

User Group/Tournament Logistics

Alcohol Sales and Service

Special Occasion Permits must be approved through the Saskatchewan Liquor and Gaming Authority's (SLGA) Head Office. Applications for Special Occasion Permits can only be submitted online at SLGA.com. To ensure adequate processing time, applications for any type of special occasion permit should be submitted at least ten days in advance of the event.

Special Occasion Permit Application Requirements

When serving alcohol on municipal property, tournament organizers must fulfill the following requirements prior to the event:

1. City Municipal Approval
 - a. Written municipal approval must be submitted regarding all outdoor functions. The SLGA cannot provide a Special Occasion Permit without the City's municipal approval.
 - b. The municipal request form for Special Occasion Permit can be found at <https://www.saskatoon.ca/parks-recreation-attractions/parks/park-bookings-permits/outdoor-special-events-festivals/special-event-forms-permits>

Food and Beverage (Concession)

If tournament organizers wish to provide a food and beverage service, a Temporary Food Permit may be required by the Saskatoon Health Region. This excludes regular concession sales (ie. hamburgers, hotdogs, pop and water etc.) for:

- community associations;
- service clubs;
- multicultural associations;
- churches;
- sports teams;
- recreation clubs; and
- outdoor tournaments.

For more information on whether a Temporary Food Service Permit is required for the tournament, please contact the Saskatchewan Health Authority at 306-655-4605 or visit the website at: https://www.saskatoonhealthregion.ca/locations_services/Services/Health-Inspection/Pages/Temporary-Food-Event.aspx.

Food Trucks

Food trucks operating at tournaments **must hold** a City of Saskatoon Mobile Food Truck License. Food trucks that have not obtained this license are not permitted to operate at tournaments and may be subject to fines.

Food trucks permitted at tournaments are responsible for immediately removing any garbage and oil/grease spills that occur as a result of operations. Tournament organizers are responsible to ensure this occurs.

Food trucks must maintain a separation distance of 150 metres from the boundary of any community or special event/tournament open to the public, unless prior written permission from the event organizer has been obtained and a designated vending location, identified on an event site plan, has been approved by the City. Approval letters from event organizers must be posted in the vehicle window beside the On-Street Food Truck License.

Note: Food trucks are not permitted to operate within a park as a part of a tournament unless receiving approval for an appropriate location from the City.

Motor Vehicles in Parks

The following guidelines apply to golf carts, gators, and all regular vehicles:

1. Tournament organizers are responsible for applying for a permit (\$30 fee) a minimum 14 days in advance of the event by completing a Motor Vehicle in Park Application Form found at <https://www.saskatoon.ca/parks-recreation-attractions/parks/park-bookings-permits/outdoor-special-events-festivals/special-event-forms-permits>
2. The type and size of all applicable vehicles must be included on the application form

and submitted to vehiclesinparks@saskatoon.ca in order to receive a permit. Make and model of vehicle(s) can be provided if known.

3. All golf carts, gators, and vehicles are required to have a permit.
4. Vehicle operators must clearly display the permit.
5. Pedestrians have the right-of-way everywhere.
6. Drivers should make use of hard surfaces within the park and grass should be driven on as little as possible. Any restoration work due to turf rutting or damage to irrigation systems will be charged to the tournament.
7. During set up and take down of a tournament, permitted vehicles are to be used for loading and unloading only and are not to be parked on site.
8. During the tournament, on-site moving vehicles are limited to sanitation vehicles, emergency vehicles, and shuttle vehicles under the direct supervision of the tournament organizer.
9. Unattended vehicles that are on site and not identified in the site map or with a permit are subject to ticketing and towing.
10. In wet conditions, all vehicles may be prohibited from driving on the grass. This includes delivery vehicles for stages, inflatables, tents, etc.
11. Additional direction provided by City staff is to be followed.

NOTE: Vehicles found driving or parking in parks without a permit may be ticketed.

Noise Guidelines and Bylaw

Tournament organizers are responsible for monitoring and controlling noise resulting from their event. The following guidelines are intended to assist event organizers in ensuring the noise from the event does not intrude unreasonably on the public living in the area:

1. Tournament organizers shall designate a responsible individual who is available by phone on a 24-hour basis and who has the authority to respond appropriately to complaints regarding the tournament.
2. At minimum two weeks prior to the tournament, organizers will contact the applicable community association and any business or resident within a two-block radius with details of the event including date(s), times(s) and location of the tournament.
3. If amplification equipment is used, noise levels should not exceed 105 decibels, measured 30 m (100 feet) from in front of the stage or location of the speaker system. A balanced range of sound to minimize bass tones is required. Speaker systems are to be positioned in a manner that tilts them downward into the crowd attending the event versus projecting over the crowd and into park property. The onus is on the tournament organizer to monitor the sound level.
4. The program should be scheduled to allow for times when there is no amplified sound. Tournament organizers are to submit information to the City of Saskatoon Special Events office (specialevents@saskatoon.ca) indicating how times with no amplified sound will be implemented in the event and how long these non-amplified periods will be. This will

assist in alleviating complaints about incessant, repetitive noise.

Failure to comply with these administrative conditions may result in the extension being revoked for future requests.

Noise Bylaw Extension Requests will be submitted by the Administration, using information from the Tournament Application Form. Tournaments with a previous three-year history, with no concerns, or requests for extensions that occur in the morning will be approved by the Administration. Tournaments that do not meet this criteria will have their request forwarded to City Council for approval.

Noise Bylaw hours are:

- Monday to Thursday from 11 a.m. to 9 p.m.;
- Friday and Saturday from 11 a.m. to 10 p.m.; and
- Sunday and Statutory Holidays from 1 p.m. to 6 p.m.

Note: Tournaments that do not allow public access, whether by way of tickets or free access, are not eligible to receive a noise bylaw extension.

Sport Field Monitor

The Sport Field Monitor's role is to be a presence at the sport fields during league and tournament play to assist with scheduling conflicts, maintenance issues, and any other questions or issues that arise outside of business hours.

Sport Field Monitors primarily work seven (7) days per week, Monday to Thursday, 5 p.m. to 9 p.m.; Saturday, 10 a.m. to 4 p.m.; and Sunday, 2 p.m. to 8 p.m. and can be reached at 306-220-7806.

Washrooms

Portable

Portable washrooms are recommended for tournaments located at venues without washroom facilities. Portable washrooms are mandatory if the tournament involves liquor.

Sites for portable washrooms are to be approved by Parks Division staff and placed on a hard surface (i.e. parking lot, road edge) whenever possible.

Portable washrooms left on site overnight must be accompanied by security. Should a portable washroom become overturned, environmental cleanup is required by the tournament organizer. Portable washrooms must be removed from site within 24 hours of the end of the tournament.

Seasonal washrooms are available from May long weekend to the September long weekend. Check the City website for hours of operation and to see which washrooms operate seasonally and year-round. <https://www.saskatoon.ca/parks-recreation-attractions/parks/park-locations-amenities>

Seasonal

- Diefenbaker Park
- Kinsmen Park;
- Nutana Kiwanis Park;
- Kilburn Park;
- Al Anderson Park;
- Glen Penner Park;
- Reid Park;
- Riversdale Kiwanis Park;
- Rotary Park;
- Shakespeare on the Saskatchewan (Mendel Park); and
- Umea Vast Park.

Year Round

- Gabriel Dumont Park;
- Meewasin North Pavilion;
- Kiwanis Memorial Park North;
- River Landing Pavilion;
- Shakespeare on the Saskatchewan (Mendel Park);
- Victoria Park Boat House; and
- Festival Site Headquarters Building (Spadina Cr.).

APPENDIX A: CONTACT LIST

For information on park availability and application inquiries, contact the City’s Allocations Office by:

- phone at 306-975-3366; or
- email at allocations@saskatoon.ca.

For all other tournament inquiries, contact the Open Space Consultant by:

- phone at 306-986-3094; or
- email at specialevents@saskatoon.ca.
