

HELP Planned Project Details

I am an Income-Qualified household.

I am adding the cost of my Energy Audits to my loan to qualify for the \$1000 rebate.

Planned Home Upgrade(s)	Minimum Specifications Required	Description	Contractor Name	Estimated Final Cost
<input checked="" type="checkbox"/> Planned Improvements <i>Please check off and complete the details only for the upgrades you intend to complete.</i>	Ask your contractor(s) to provide this information with your quotes. To be eligible for funding, your improvements must meet the minimum ENERGY STAR and WaterSense specifications listed below. Visit saskatoon.ca/HELPSpecs for more information.	For example: equipment make and model, materials, efficiency rating, etc	Please name the contractor or company providing the cost estimate and attach their estimate with the funding request form. If you intend to complete a do-it-yourself upgrade, write "DIY" under the contractor name section.	
	Minimum Specifications Required	Upgraded R-Value	Contractor Name	Estimated Final Cost
