Important Information for Out-Of-Town Voters Who Own Property in Saskatoon

- If you reside outside Saskatoon but are eligible to vote for the municipal election because you own property in Saskatoon, you must vote at the poll in which the property you own is located.
- If you own more than one property in Saskatoon, you can only vote once in the ward where your highest assessable property is located.
- Please let the poll official know that you are a non-resident voter so that you will receive the appropriate “no school support” ballot.

Helpful Tip:

- Poll boundaries run down the centre of a road. If you live on one side of the road, you may vote in a different poll or ward than your neighbour across the street.
- Need transportation? Saskatoon Transit will offer free transit for voters on Election Day, November 13, 2024. Free Transit pass on back cover, or download to your phone, or print off, from saskatoon.ca/voterinfo.
