## EXAMPLES OF POTENTIAL DEVELOPMENT OF FOUR UNIT DWELLINGS IN THE ESTABLISHED NEIGHBOURHOODS

The drawings shown in this document are labeled with imperial measurements.

This document provides examples of the forms of development that may be permitted with the new regulations to permit multiple unit dwellings up to four units. Examples are provided for three different sites.

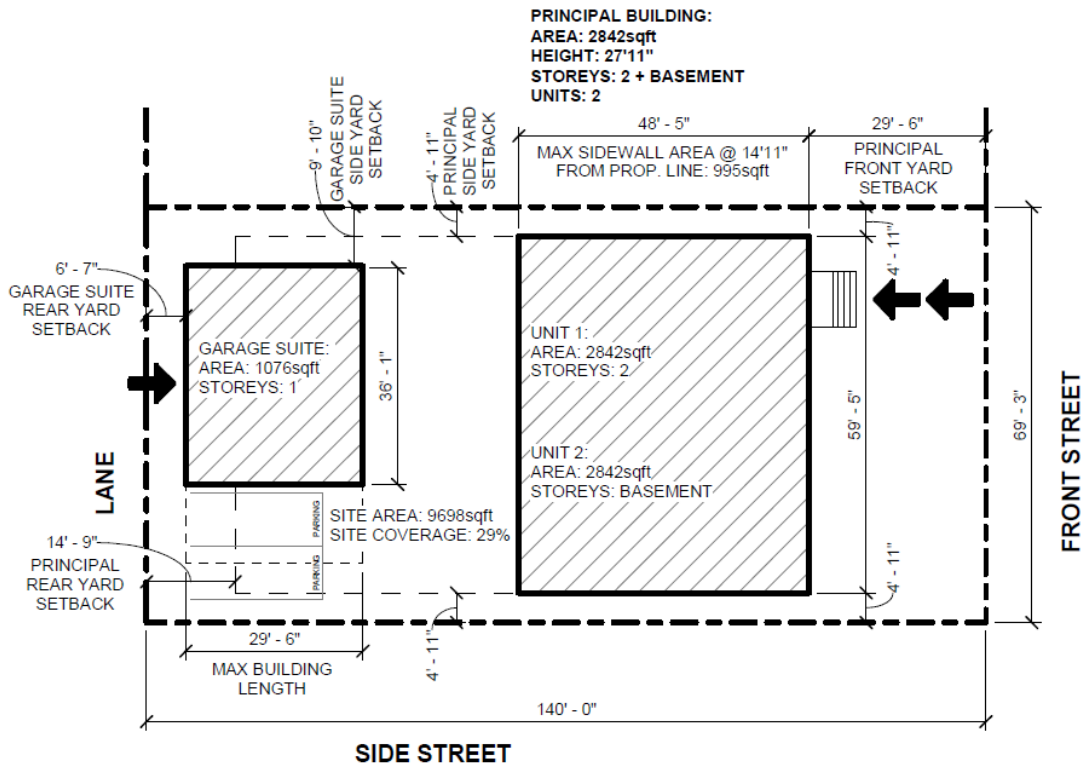

*NOTE: These drawings are conceptual and subject to change. The information is for reference only and should not be used for legal proposes. Drawings show the general form of development considered under the proposed amendments. Any development would be required to meet the applicable development standards. These drawings may not be reproduced without the expressed written consent of the Planning and Development Department, City of Saskatoon.*
