Pet-At-Large (PAL) Perk

When Saskatoon Animal Control officers pick up an unlicensed dog or cat that is running at large, they are required to issue a \$250 ticket to the owner.

Pet owners who license their dog or cat can take advantage of a valuable benefit: the **Pet-At-Large (PAL) Perk**, which is like a “get out of jail free” provision redeemable once during the pet’s lifetime.

When using the PAL Perk, owners do not have to pay the \$100 at-large fine when their cat or dog is returned.

Impound fees applied by the Animal Pound will also be waived.
