

# Environmental Programs for Saskatoon Classrooms

Presented by the City of Saskatoon and Partners

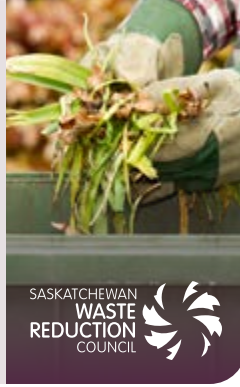

## Compost Workshops

Curious about composting? Book a workshop and a Saskatchewan Waste Reduction Council (SWRC) representative will deliver a lesson to your class!

**Suitable for Pre-K to Grade 12**

To book a workshop:

✉ [compost@swrc.ca](mailto:compost@swrc.ca)

## EAL Recycling and Composting Workshops

The Newcomer Recycling and Composting Workshops are designed to educate newcomers and English as an Additional Language residents (EAL) on household recycling and waste management.

**Suitable for Grades 6 and up**

Available for CLB 3-6 levels.

Call 306-931-3242 for more information.

✉ **Recycling:** [deirdre@swrc.ca](mailto:deirdre@swrc.ca)

✉ **Composting:** [lisa@swrc.ca](mailto:lisa@swrc.ca)

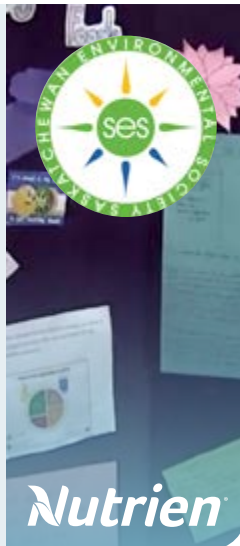

## Student Action for a Sustainable Future (SASF)

Climate action today means a more vibrant future for all! Connect curriculum outcomes to sustainability goals and empower your students to take on action-based projects that reduce greenhouse gas emissions in class, in their community, or at home.

**Suitable for Grades 5-12**

For more info, or to apply, please visit:

➤ [environmentalsociety.ca/programs/k-12-school-programs/sasf/](http://environmentalsociety.ca/programs/k-12-school-programs/sasf/)

## Environmental Cash Grant

Put your good ideas to work! The City of Saskatoon offers cash grants to get locally focused environmental projects up and running. If you have a project in mind, your class can apply for funding support. Schools must provide a non-profit number for the application.

For examples of past projects and more info, visit:

➤ [saskatoon.ca/envirogrant](http://saskatoon.ca/envirogrant)

## School Gardening

Do you need help or materials to start a school gardening project? The City of Saskatoon has tips, tricks, and free compost and mulch!

➤ [healthyyards.ca](http://healthyyards.ca)

➤ [saskatoon.ca/compostdepots](http://saskatoon.ca/compostdepots)

## Yellow Fish Road™

The Yellow Fish Road™ program educates kids from Grades 5-8 on the impact of pollution in storm drains and how to protect our local water sources.

Students also look at the City's sewer system and learn what shouldn't go down the drain.

**Suitable for Grades 5-8**

Relates to curriculum outcomes WS8.2, IE7.4, MC5.3

To book an in-class presentation, please contact:

✉ [jharder@meewasin.com](mailto:jharder@meewasin.com)

## Place-Based Lesson Opportunities

### Saskatoon Light and Power

Is your class interested in how Saskatoon is building a smarter city? We offer tours of our Electrical Operations Centre, where students will learn what electricity is, how to be safe around it and how our system can be smart and sustainable.

**Grades 6 & 9: Electrical Distribution and Alternative Energy**

Relates to curriculum outcomes: EL6.1; CE9.3/4

Tours can be customized for students in Grade 4 and up.

For more information visit:

➤ [saskatoon.ca/SlpSchoolTours](http://saskatoon.ca/SlpSchoolTours)

### Loraas Education Center

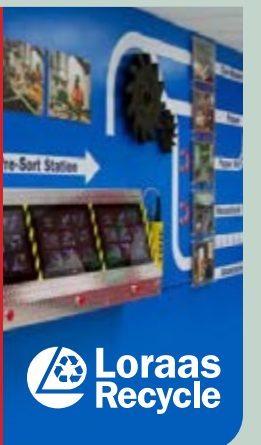

Curious about what happens to your recyclables after you place them in the blue cart? Visit the Loraas Education Centre and find out!

**Suitable for Grade 3 and up**

Relates to curriculum outcomes ES3.2, DR3.3, HC4.1, DR4.2, MC5.3, RW5.1, RW6.2, IE7.4, RW7.2, RW8.2, RW8.3

For more information visit:

➤ [loraas.ca/tours](http://loraas.ca/tours)

### Cosmo's Recycling Centre

Learn about recycling and its positive impact on the lives of individuals with intellectual disabilities from our local waste experts at Cosmopolitan Industries!

**Suitable for Grades 4 and up, and students with disabilities.**

Book a tour online:

➤ [cosmoindustries.setmore.com](http://cosmoindustries.setmore.com)
