

## Connecting Victoria Avenue Walking and Cycling Improvements

The City of Saskatoon (City), along with CIMA+, is exploring the opportunities and challenges for improving walking and cycling facilities along Victoria Avenue between Taylor Street and Ruth Street. The project aims to improve the accessibility, comfort, convenience, and safety of walking and cycling facilities.

### HAVE YOUR SAY

The project team invites you to complete the online survey and attend the community open house on **Tuesday, July 23<sup>rd</sup> from 6 p.m. to 8 p.m.** During this come-and-go event, participants will have the opportunity to ask questions and provide input on challenges and opportunities in the study area. Your feedback will be used by the project team to assist in the development of design options.

**Don't leave yourself out of the conversation! There are multiple ways to participate and provide us with your feedback. Please submit your feedback by August 20, 2024.**
